

Aerial Attack on Civilians Factsheet

On 4 August 2026, at approximately 4 pm, Myanmar's junta military launched an unprovoked drone strike on civilians working in farmland near Daw Koo Le village, in Hpruso Township, Karenni State. The attack, in the absence of any nearby armed clashes, killed five civilians, including a 6-month-old infant, Ma Catherine, and injured three others. Two residential homes were also destroyed in the strike.

IMPACTS OF AERIAL ATTACKS

-  **99 PEOPLE KILLED**
-  **139 PEOPLE INJURED.**
-  **339 PROPERTIES DESTROYED**
-  **13940 PEOPLE DISPLACED**

103 cases of aerial attacks were recorded in August 2026.

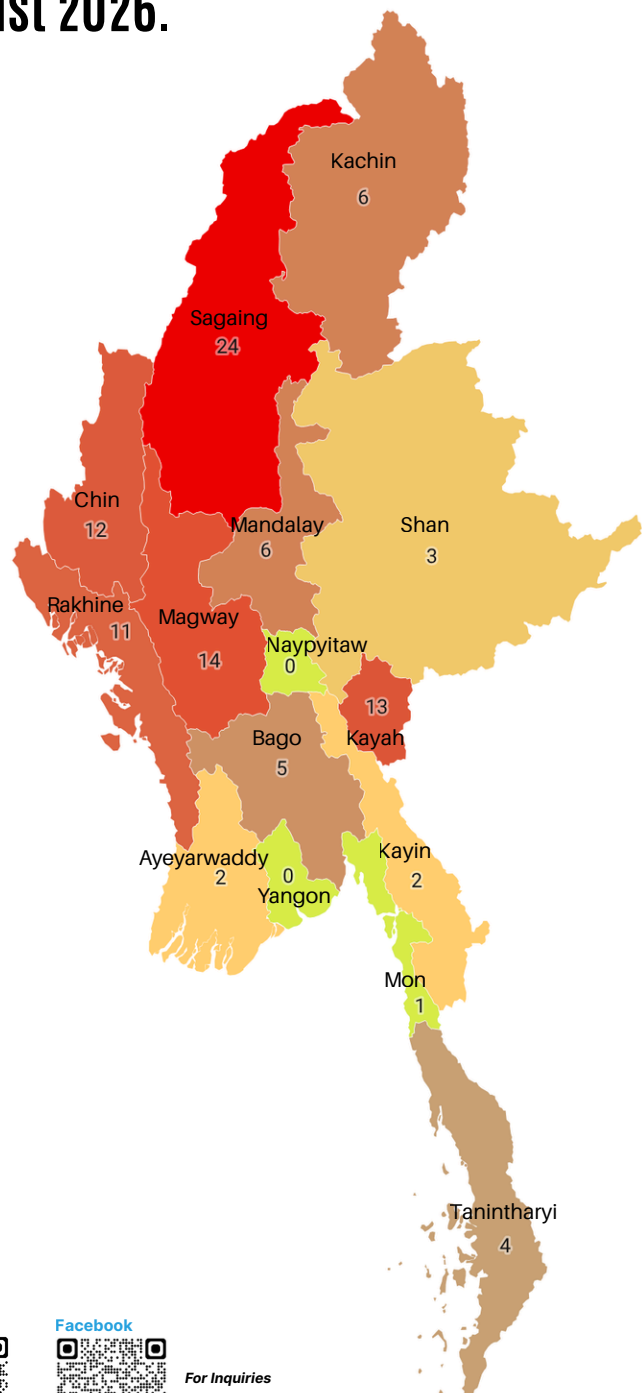

Highlight

On August 13, 2026, at approximately 11:30 PM, a jet fighter of the Myanmar junta military carried out an airstrike on a residential neighborhood along Myitta Paung Ku Street in Ward No. 1, Kyeintali Town, Gwa Township, Rakhine State. The targeted bombardment resulted in the instant deaths of eight civilians inside their homes, including two young children. The attack also destroyed five civilian houses and a motorcycle.

Disclaimer
